

Important Changes at St Boniface Diocesan HS & Holy Cross School

The City of Winnipeg is committed to helping keep children safe on the way to and from school. We work with schools to identify road safety issues and develop solutions to improve traffic safety around schools.

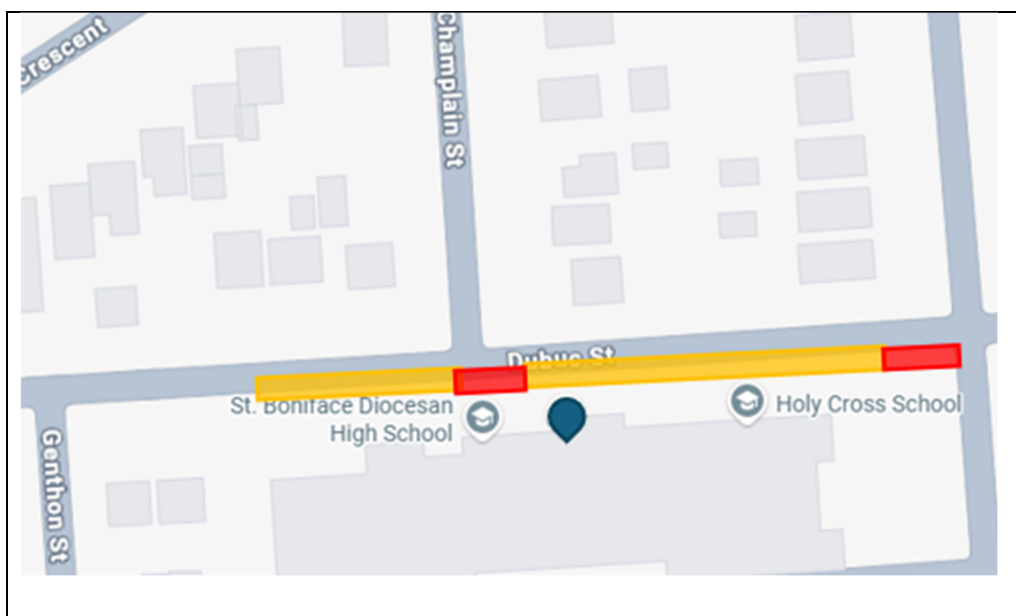

We visited St Boniface Diocesan HS and Holy Cross School and met with the administration about road safety concerns. Issues were found with illegal parking, causing safety concerns on Dubuc St.

In late April, traffic safety improvements are being put in place to address these issues. Here are the key safety improvements:

- **Extending the No Parking Loading Zones in front of each school**
- **Changing the No Parking Loading Zone hours to 0730-0830 & 1430-1630 Mon-Fri, Sept-June**
- **Extending the No Stopping Anytime section on Dubuc at Champlain**
 - This will enhance safety and sightline for the pedestrians crossing Dubuc on the east leg at Champlain.

If using Dubuc St, please only use the school side of Dubuc St to (un)load students. There will be much more loading space available following these changes making this the safest option.

Thank you for following these new guidelines and helping make the trip to and from school safer. Question or inquiries? Please reach out to your school administration.

Map Legend

-  School Marker
-  No Parking Loading
0730-0830 & 1430-1630
Loading for 15 minutes max.
-  No Stopping Anytime
No parking. No stopping.
