House Keeping

- When sending e-transfers for payments, please indicate the child(ren) the payment is for and what it covers (e.g., program, tuition), plus the school year. This will speed up our accounting process and improve accuracy. **ex. Catherine Walker, Tuition, September 2026.**
- For AM drop-off, students arriving at or after 8:30 AM must enter in through the front door. For security purposes, during the day, the back door is to remain locked to limit entry points. Thank you for your understanding.
- For PM pickup, any student left after 3:15 PM will be brought to the program and can be picked up from there. Parents must enter through the gym doors to pick up from the program, not the school.
- No School on the 9th or 12th of October.
